2019 EDC Sponsorship Benefits

Annually, EDC conducts targeted marketing activities that provide its members with an opportunity to get their logo in front of companies and individuals actively engaged in retaining, expanding and attracting businesses to Lancaster County. These marketing activities include EDC's signature Annual Meeting in the Fall, an invitation-only Member Briefing in June, along with on-going electronic communication. In 2018, EDC continued to extend its reach with record levels of membership support and attendance at its two primary events.
